

Growing Beyond Borders

Thursday 27 May 2021
9.30am - 10.30am

[Link to Webinar](#)

Lloyds Bank in association with Saffery Champness and Made In Britain (MIB) invite you to join a virtual panel session for manufacturers and wholesalers discussing the twists and turns of international trade and the resources available for you to take advantage of.

We finish with a Q&A session with our speakers. Please do bring questions that you may have for our speakers. We hope this session will be informative and look forward to virtually seeing you there!

Saffery Champness

RSVP

AGENDA

How British manufacturers have been navigating the global trade landscape

Focus on common challenges that businesses may face, including VAT and import tariffs

Financing trade

Demonstration of Lloyds International Trade portal – Gateway to Global Trade
